The NANUK 910 for PlayStation®5 controllers is built to organize, protect, carry and survive tough conditions. The closed-cell high-quality foam is pre-cut to fit two (2) controllers, cables and other accessories. The clever design holds and protects every item securely while keeping it accessible. NANUK's superior PowerClaw latching system never opens unexpectedly while the NK-7 shell offers great shock absorption. Our lifetime warranty will make sure it protects your PS5™ controllers and accessories like no other protective case can.

La NANUK 910 pour manettes PlayStation®5 est conçue pour organiser, protéger, transporter et survivre aux conditions difficiles. La mousse de haute qualité à cellules fermées est prédécoupée pour contenir deux (2) manettes, des câbles et autres accessoires. La conception ingénieuse maintient et protège chaque élément en toute sécurité tout en le gardant accessible. Le système de verrouillage supérieur PowerClaw de NANUK ne s'ouvre jamais de manière inattendue, tandis que la coque NK-7 offre une grande absorption des chocs. Notre garantie à vie vous assure qu'elle protège vos manettes PS5™ et ses accessoires comme aucune autre mallette de protection ne peut le faire.
